

Year 5 and 6 Football League Matches at St Cuthbert's

On Thursday 11th October we went to play in our first league matches of the season. St Cuthbert's are always a strong side so we knew we would have some tough competition.

Our Year 6 team hadn't played together since April but all worked really hard and our defenders showed great resilience. We were disappointed not to win but delighted that we scored against such a strong team.

As we only had 3 children from year 5 who attend training we had to ask our friends in year 4 to play in our team—they were only too delighted to take on the challenge. Again we faced a very strong side (most of whom were a year older than us!). We did concede some goals despite excellent defending. Again we were delighted to score 2 excellent goals— by Lewis and Cordy.

Player of the match in Year 6 game goes to Daniel for a great goal and 100% effort and commitment. Special mention goes to Lawson for a fantastic improvement and also Polly for being an amazing captain. Thank you to Mr and Mrs Evans for training us and taking us to the game.

Player of the match in Year 5 game goes to Charlie for his outstanding effort. Special mention goes to James for his outstanding defending and to all the year 4 children who played who never let their heads go down and kept battling.
