

Ladybirds Home learning newsletter No. 37 6th July 2023

Summer term Latest news:

'Around the world'

This week we have learnt about Taiwan.. We have been solving problems in maths, including how to build boats and bridges. We have visited our new Year 1 class, Butterflies, and are excited about seeing our artwork in the whole school art exhibition tomorrow.

Next week Continuing with our 'Around the world' topic, we will be travelling to Turkey and will be learning about life in Turkey.

Please of the week

We're sorry to say that Tapestry will be finishing this week (forever). Thank you to those who have appreciated, liked and added to entries.

We will be sending each child's electronic Tapestry journal, as a pdf, to parents' emails so that you can download or print them at your leisure. Next year, there will be no Tapestry and parents will rely on the school's newsletter to keep you informed, as the children become more independent.

Thank you.
