

# Ladybirds Home learning newsletter No. 33

6<sup>th</sup> June 2024

## Summer term

**This week** we have launched our last topic of the year, called All Around the World, where the children will be learning about six different international countries. We are reaching transition time where we finalise and assess children's progress and record whether they have reached their End of Year goals (ELGs), and will be talking about how much fun it will be when the children move up to Butterflies class. They will have a class shuffle days in July.

**Next week** we will revise repeated patterns in maths, continue to practise blending two consonants together in reading and writing. In P.E. we are problem solving in game play. We shall also be creating cards for the special men in our lives (Father's day).

## Please of the week

With warmer weather arriving, please supply your Ladybird with a **named** sun hat for outdoor play or sunny days. Plus, applying sun cream before school is essential, as staff are not allowed to do this in school.

**Thank you.**

## Literacy + Maths learning

Please practice:

**Phonics:** cvcc words:

Sport, growl, print, trains

Use **Phonics play website** games:
