Summer 2019

Cricket Fun

On Tuesday 21st May Kites and Ladybirds Classes went to the school field for a 'post SATS' cricket extravaganza. Oliver from Ladybirds and Matthew from Kites showed their friends the contents of their kit bags and then taught their friends some of their cricketing skills. The second part of the afternoon the children chose either cricket, football or playing with any of the other sports equipment. Another great joint adventure between Reception and Year 6!

PE Governor Visit and FA Vase Assembly

On Thursday 6th June Mark Nuti (our School Governor with responsibility for PE and PSHE) came to observe a PE Shining star session on the school field. He was also present for the special assembly with Chris Gay and Dave Rainer from Chertsey Town Football Club where they told the school about the journey to Wembley and showed us both the FA Vase Trophy and the League Winners trophy.

PE Shining Stars

This year 69 children were selected to take part in the PE Shining Star sessions. The sessions ran on a Thursday afternoon with Mrs Barnes and Mr Todd. The first group was with children from Year 1 and 2 and the second group were children from years 3-6. Children took part in training in track for events – sprint, long distance and relay as well as the field events – ball throw and long jump. A special mention of thanks to Pycroft Grange who allowed our long jumpers to practice in their long jump pit!

Colour Run

On Saturday 8th June a team of 6 Stepgates staff (accompanied by 2 of their children – both ex-Stepgates pupils) took part in the Colour Run at Kempton Market. They completed a 5K run involving over 20 obstacles and many colour stations. The team are keen to take part in the event again next year and encourage other staff to join them! They shared their achievements with the children during the assembly in Feeling Good Week!

Surrey Youth Games

Congratulations to Diego Cavaco who represented Runnymede in Hockey at the Surrey Youth Games on Saturday 15th June. Let's hope more Stepgates children will take part next year and enjoy 8 weeks of free coaching in a variety of sports!!
